STUDENT BEHAVIOR INTERVENTION TEAM (SBIT)

This is a group that was formed after the tragic incident at Virginia Tech. It is headed by Dr. William Watkins, the Associate Vice President for Student Affairs/Dean of Students. It includes members from campus police, University Counseling Services, and Judicial Affairs. The purpose of this committee is to discuss students that are of particular concern. This committee seeks to prevent critical or serious incidents from occurring by intervening with students who may be perceived as disruptive or potentially threatening due to behavior that suggests a serious emotional or mental health concern.
