

Sample 4-year Plan:w/GE Plan R

The following guide is intended to promote an understanding of the course requirements necessary to complete a Bachelor of Music degree with an instrumental specialization in Piano Pedagogy. **This guide is only a sample** and represents only one of many possible ways a student could select courses to complete General Education, Title V, and Major requirements and units. **It is not intended to replace advisement** and should be used in conjunction with both the university catalog and the semester Schedule of Classes. Students in Music are required to see their departmental adviser each semester for formal advisement and must register in only those major courses their Music adviser has recommended. Course selection and registration are always subject to availability, pre-requisite completion, and advisement considerations. Be aware that the number of University Electives a student must complete will vary for each student based on course selection, transfer coursework and AP credit. **MUS 202 meets 3 units in Arts & Humanities, MUS 191/L meets 3 units in Lifelong Learning, MUS 307 meets 3 units of upper division GE in Comparative Cultural Studies.** *Note: Place a ✓ in the [] when you have completed the requirement.*
