

## **8050.00 | Configuration Management**

**Effective Date:** 4/19/2010 | **Revised Date:** 4/19/2010

### **POLICY OBJECTIVE**

The CSU Information Security policy provides direction and support for establishing a configuration management program.

### **POLICY STATEMENT**

Campuses must develop, implement, and document configuration standards to ensure that information technology systems, network resources, and applications are appropriately secured to protect confidentiality, integrity, and availability.
