The ACT Program May Be For You!

ACT is an accelerated, two-semester preliminary credential program that focuses on addressing the diverse needs of urban school learners. Candidates progress through this full-time program as a cohort, completing fieldwork during the day and coursework in the afternoon and evening. The ACT Program incorporates neurodevelopmental methodology, an innovative and research-based educational approach in addressing the unique and diverse needs of K-12 students in urban schools.

**ACT Program Components**
- **Core Courses:** Two courses, completed by general and special education candidates, that focus on foundational knowledge and skills for teachers serving diverse urban learners
- **Specialization Courses:** Classes each semester that target appropriate specialization areas
- **Fieldwork:** Classroom assignments with experienced Cooperating Teachers that increase in duration and intensity

**Awards Received**
- **Urban Impact Award** given by the Council of the Great City Schools for outstanding school-based project
- **Quality of Education Award** given by the California Council on Teacher Credentialing for exemplary school/university collaboration
