What is Supplemental Instruction?
University 60 classes, Supplemental Instruction (SI), are peer-facilitated group study sessions designed to help students master difficult subject matter in classes with traditionally low pass rates. Students enroll to receive one unit. Sessions focus on understanding content while also developing effective study strategies, problem solving skills, and preparing for exams.

What are the Supplemental Instruction Leaders’ responsibilities?
SI leaders are responsible for attending class meetings for the selected (‘target’) course, developing engaging and interactive lesson plans for SI sessions, attending and facilitating those SI sessions, and attending strategizing team meetings.

What are the benefits of being an SI leader?
SI is a paid position. SI is also an opportunity for students to improve their communication skills, strengthen skills in a given academic subject, and gain professional experience. SI is a great opportunity for anyone who is interested in teaching.
