The Abel Scholarship is an annual award in the amount of \$1,000 to be given to a sophomore or junior mathematics major at CSUN based on academic merit. Students may self-nominate or be nominated by a faculty member. Each applicant must submit a short autobiographical statement as well as provide two letters of recommendations from faculty members in the Mathematics Department. The Department Award Committee will evaluate the applications and choose the recipient of the award. The Application Form is available online. Applications are due by Tuesday, April 28, 2020.
