In addition, credential candidates may be eligible for a grant through the **Federal TEACH Grant Program**:

The TEACH Grant Program provides grants of up to \$4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching. As a condition for receiving a TEACH Grant, awardees agree to (among other requirements) teach:

- in a high-need field;
- at an elementary school, secondary school, or **educational service agency** that serves students from low-income families; and
- for at least four complete academic years within eight years after completing (or ceasing enrollment in) the course of study for which you received the grant.
