

Applying for Financial Aid

We recommend that applicants submit a FAFSA early on the process.

- The FAFSA priority date for Fall applicants is: March 1st.
- There is no specific FAFSA priority date for Spring applicants, however we suggest applying as early as possible prior to the application deadline.
- To be eligible for SUG (State University Grants) you must submit your FAFSA by the priority deadline.

Please go to the links below for guidance.
