

RESOURCE GUIDE for the 2020 SUMMER ARTS INSTITUTE

Generously supported by Music Man Foundation, US Bank, and Wilmington Trust.

Guide to the Guide:

1. Please use discretion when accessing the videos and website links below. In an ever-evolving Digital Age, the “paid content” or preloaded “recommended” content included on many digital platforms may contain material that might not be appropriate for the classroom. The videos of our artists and professors have been vetted; however, we cannot assume responsibility for the content on the sites in which they appear (YouTube, Vimeo, etc.). Please review before sharing with students.
2. In the artists' presentations, you will notice that we have edited out material that is copyright protected. When this happens, the recordings will clearly note which link to access from the list in the Resource Guide. Once you click this link and watch the video, then you can return to the artist's presentation.
3. Feel free to follow up with Dr. Anthony Cantrell if you have any further questions or concerns about the Resource Guide or the Soraya Summer Arts Institute: anthony.cantrell@csun.edu
