Asian Americans and Health
Part I of the Asian American Studies Department Professional Development and Career Series

Sco质量安全 Chan and Kyle Tsukahira from Asian Pacific Islander Obesity Prevention Alliance (APIOPA) will be talking about community-based solutions in addressing obesity and other health-related issues in Asian American and Pacific Islander communities. They will also be speaking about the relevance of Asian American Studies and Ethnic Studies for careers in the non-profits and health fields.

This event is sponsored by the Asian American Studies Department, College of Humanities Academic Programming Fund, and from the NIH BUILD PODER speaker fund.

Speakers:
Scott Chan, MPA, CSUN
Program Director, APIOPA

Kyle Tsukahira, B.A.
Asian American Studies, Cal State LA
Program Manager APIOPA
