Job Description

The CAPTURED Multi-Media Student Research Journal is a peer-reviewed publication, produced by the Department of Africana Studies at CSUN. The journal exists to provide students an outlet for scholarly and creative expression, where they publish thought-provoking articles and works-of-art that give voice to CSUN’s student population. The Graphic Designer works with the Web Designer, the Lead Editor and the Faculty Advisors in the creation, promotion and dissemination of the digital version of the journal.

Qualifications

- Excellent computer and design skills.
- Experience in Adobe InDesign or other creative platforms.
- Experience in journal, magazine or newspaper layout desirable.
- Excellent organizational skills.
- Effective communication skills.
- Ability to work independently.
- Excellent time management.

Responsibilities

- Design and create digital, user-friendly, ADA compliant student research journal.
- Works with supervisor and Website Designer to develop on-line journals.
- Review and organize submissions electronically.
- Other tasks related to the journal’s publication.

How to Apply

Please send your resume, cover letter to us through the online career resource Handshake.
