

# Professional Passport Program

## Annual Snapshot 2018-19

The Professional Passport Program provides undergraduate business students with guidance in their career-building and networking skills. Students in the program will engage in a variety of professional development activities, including career development, networking, experiential learning, and leadership.

students participated in the Shadowing Program

**Shadowing:** Sophomores in the Passport Program can shadow a business professional for 2-4 hours to observe day-to-day activities and gain a better understanding of that career.

**Mentoring:** Juniors in the Passport Program can participate in a 7-month mentorship with a business professional to explore career paths, develop professionally, and prepare for college-to-career transition.

## Testimonials

“By attending Passport Program networking events and firm tours, I was able to further my interest in Human Resources and identify industries I’d want to work in once I graduate. – Angela Lee, student (Passport Program).” – Angela Lee, student (Passport Program)

“I loved the overall experience.” - Cindy Mendoza, student (Shadowing Program)

“I think this is a great program!” – Claudia Franco, partner (Mentoring Program)

“I was able to achieve my goals. My goals mainly were to get a better understanding of what marketing entails and the structure of a large company. I was able to learn that and much more.” – Linette Pena, student (Mentoring Program)
