

Professional Passport Program Annual Snapshot 2019-20

The Professional Passport Program provides undergraduate business students with guidance in their career-building and networking skills. Students in the program will engage in a variety of professional development activities, including career development, networking, experiential learning, and leadership.

266 Total # of Students in the Passport Program

28

Sophomores

98

Juniors

140

Seniors

Shadowing*: Sophomores in the Passport Program can shadow a business professional for 2-4 hours to observe day-to-day activities and gain a better understanding of that career.

*The Shadowing Program was canceled this year due to COVID-19.

Mentoring: Juniors in the Passport Program can participate in a 7-month mentorship with a business professional to explore career paths, develop professionally, and prepare for college-to-career transition.

Mentoring Program

Testimonials

“The Passport Program helped me network with different business majors at CSUN. It also gave me the opportunity to visit different companies whether big or small.” – Heidy Talles, student (Passport Program)

“The mentorship didn’t feel “forced” like checking off boxes. [The student] had genuine questions and she built on her skills throughout the year.” – Thao Spraggins, partner (Mentoring Program)

“I think the program is great how it is. Thank you for connecting me with someone and keeping it flexible so we can connect on our own.” – Leah Boochee, student (Mentoring Program)

“My mentor was great, my experience was great. I definitely have a different perspective on how to go about graduating and searching for a full time position.” – Uriel Orozco, student (Mentoring Program)
