CSU Northridge, Computer Science Department
COMPUTER SCIENCE MINOR

2019-20 Catalog Requirements

Select one track:
COMP 282 & 380/L or COMP 222 & 322/L

Upper Division Electives
Prereqs depend on specific course
6 units (2 courses with possible labs)
Normally 400 and 500 level COMP courses
but may include COMP 310, 322/L, 333 or
380/L if not required by selected track.

- COMP 108 Orientation (optional preparatory)
- COMP 110/L Algorithms (C)
- COMP 182/L Data Structures (C)
- COMP 282 Adv Data Struct
- COMP 380/L Software Engr

- MATH 102 Pre-Calculus I (preparatory) (C)
- OR
- MATH 103 Math for Bus (MATH 103 is an alternative to taking the MATH 102, 105, 150A sequence but 103 does NOT satisfy COMP 282 prerequisites) (C)
- MATH 105 Pre-Calculus II (preparatory) (C)
- MATH 150A Calculus I (preparatory for track option) (C)
- G.E. Freshman Composition (preparatory)
- G.E. Oral Communication (preparatory)
- COMP 122/L Assembly & Arch (C)
- PHIL 230 Formal Logic (preparatory for track option)
- COMP 222 Computer Org
- COMP 322/L Operating Sys

Placement in courses leading to major requirements is dependent on high school preparation and current computer programming skills. Consult with an academic advisor for proper placement.

Declare your minor early in your academic plans and remember to include minor during your Graduation Evaluation 2 to 3 semesters prior to planned date of graduation.

Must receive "C-" or better in all courses attempted at CSUN that are required by minor unless otherwise stated; courses marked with (C) require "C" or better; all transfer courses must be "C" or better.
