

CSUN Field Instructor Training Information

New Field Instructor Training

This course is offered for new field instructors every fall, usually in September on the CSUN Campus. There is also an online version available for Field Instructors who are out of the Los Angeles county area. Trainings are 8 hours. CEUS are available for the on campus training.

Preceptor Training

Many MSW interns work with other professionals at their internships in addition to their field instructor. This 3 hour training is focused on orienting preceptors to MSW Field Education. We will cover university requirements for educations, communication regarding student progress and offer tools to support student learning.

Advanced Field Instructor Training

This course is offered yearly in January to Field Instructors who are currently supervising CSUN students. The topics vary. In 2016 we addressed Cultural Humility and for 2017 are topic is Preparing Social Work Students for the 21stCentury Workforce: An Array of Opportunities
