

## CTVA TV FIELD KITS

Some camera and sound gear must checkout as complete kits. A self contained kit including cables, power and needed accessories for specific classes. Camera packages for CTVA442 must be reserved and checkout from TV Engineer and are released as complete kits. Additional gear must be rented or checkout through the CTVA ARC.

Equipment manuals can be requested or accessed online at [www.csun.edu/television](http://www.csun.edu/television)

Accessories and support gear check out separately (c-stands, gels, stingers)
