Advisement. After completing the Film Provisional major with grades as prescribed below, you may submit your portfolio for review and permission to enter the Film Production Option. Once accepted, you should seek out a Film Production faculty member who will act as your advisor and help you plan your major program. Your advisor’s signature will be required prior to registration each semester. Observe all CTVA advisement dates and check with your advisor on a regular basis. Please take advantage of his or her counsel in all aspects of your CSUN experience.

After completing your Film Provisional courses (with a grade of “C” or better in ART 250, CTVA 100, 210 and 220, plus a minimum grade of “B-” in CTVA 250), you must submit a portfolio for review in order to be considered for acceptance into the Film Production Option. Details and dates relating to the Portfolio Review can be obtained from the CTVA Department office. You may only submit ONE portfolio for ONE TIME for consideration to be accepted into the Film Production Option. IF selected and accepted into the CTVA Film Production Options students will need to file a Change of Major form with the CTVA Office who will then send it to A & R for those admitted into the Film Production Option following the review. Those not accepted after their portfolio should select a new CTVA option.

WPE Requirement. We recommend that you take the Upper Division Writing Proficiency Exam as soon as possible in your junior year. If you have any difficulty with the WPE please look into the support programs offered by the Learning Resource Center and other CSUN counseling and assistance centers.
