Department Chairs and Deans Calendar

This Department Chairs and Deans Calendar is the result of a project to pull together important dates from the divisions and offices on campus that would be important to Department Chairs in planning for the academic year.

Although all of the listed events are significant, certain dates are of particular importance to Chairs. The following activities for the year are highlighted: budget (green), schedule (blue), and hiring and personnel (purple). Important dates and deadlines for chairs are in capital letters.

We hope you find the calendar useful. The calendar will be revised and updated each year and distributed to the Department Chairs, Deans, and Associate Deans.
