The Department of Music at the Mike Curb College of Arts, Media, and Communication presents the second edition of **ChamberFest @ CSUN**, a four-day festival that celebrates and explores the art of chamber music. Following the success of the inaugural festival in 2019, the first of its kind for the college, this year's event is again comprised of a series of performances and masterclasses by a group of celebrated world-class chamber musicians, bringing together our city of Los Angeles and all of Southern California.

The program of **ChamberFest @ CSUN 2022**, with some of the repertoire's greatest masterworks at its heart, is designed to provide not only an unparalleled concert experience for our audiences but also present a learning opportunity for our students. New exciting works by our own CSUN composition faculty will be featured alongside other active contemporary composers on the festival's programs.

To make a gift in support of the festival, please visit: [givetomike-curb-arts-media-communication.csun.edu](http://givetomike-curb-arts-media-communication.csun.edu), and select "Music Department" from the Designation drop-down menu in the Donation Information section.
