CHOCOLATE MILK: THE DOCUMENTARY is an exploration of the racial divide in breastfeeding. Told through the narratives of three Black women: a new mother, a midwife and a WIC lactation educator, the film seeks to answer the longstanding question of why more Black women are not breastfeeding.

By creating an engaging narrative centered around the challenges of breastfeeding, Chocolate Milk will spark public discussion on how communities can better support Black mothers.

**August 3rd and 13th registration will start at 10:30 AM with the film starting promptly at 11:00 AM.**

**August 25th iDREAM is celebrating it's 25th anniversary (actual date is August 27th) registration will start at 12:00 PM with the film starting promptly at 1:00 PM.**
