CSU Northridge, Computer Science Department
DATA SCIENCE MINOR
2021-23 Catalog Requirements

MATH 102 Pre-Calculus I (preparatory) (C)
MATH 105 Pre-Calculus II (preparatory) (C)
MATH 150A Calculus I (preparatory)
MATH 340 Introductory Probability
MATH 444 Statistical Modeling
MATH 445 Statistical Fund to Mach Learning

COMP 108 Orientation (optional preparatory)
COMP 110/L Algorithms (C)
COMP 182/L Data Structures
COMP 442 Projects in Data Science

G.E. Freshman Composition (preparatory)

NOTE:
COMP 111A/L-111B/L (C) Can be taken as an alternative to the COMP 108-110/L sequence

Placement in courses leading to minor requirements is dependent on high school preparation and current computer programming skills. Consult with an academic advisor for proper placement.

Declare your minor early in your academic plans and remember to include minor during your Graduation Evaluation 2 to 3 semesters prior to planned date of graduation.

Courses marked with (C) require “C” or better; all transfer courses must be “C” or better.
