A CSUN ENVIRONMENTAL & OCCUPATIONAL HEALTH ALUMNI CHAPTER MENTORING EVENT

Thursday December 2, 2021 7 - 9:30 p.m.
Zoom

Successful Matadors are coming to share their knowledge and give you guidance. CSUN’s Environmental and Occupational Health Alumni Chapter is bringing professionals from both industries to campus to help you out.

• Make a connection with professionals in the field you want to work in
• Learn information about the field that you might not get from a classroom setting
• Learn about the steps it takes to climb the ladder
• Find out the challenges and benefits of a career in environmental and occupational health

Event is FREE!
