

The 2022-2024 Collective Bargaining Agreement (CBA) between the California Faculty Association and the Board of Trustees of the California State University provides for assigned time (in the form of Weighted Teaching Units, WTUs) to Unit 3 faculty employees (including Lecturers) “who are engaged in exceptional levels of service that support the CSU’s priorities, but who are not otherwise receiving an adjustment in workload to reflect their effort.” Exceptional service awards are intended to recognize faculty who have a demonstrated commitment to working on issues faced by our diverse student population. (CBA provision 20.37). Awards are designated for workload beyond the requirements of regular faculty assignment in enhancing the student learning environment for undergraduate and/or graduate students.

- Completed applications with all signatures are **due to the Office of Faculty Affairs by 5:00 pm on Friday, February 17, 2023.**
- A Subcommittee of the Personnel Planning and Review (PP&R) Committee will be solely responsible for evaluation of applications and making recommendations of awards to the Office of Faculty Affairs.
- Applicants will be notified of awards no later than Friday, March 17, 2023.
- Assigned WTUs for awards in 2023-2024 can be used for either the Fall 2023 or Spring 2024 semesters.
- Applications shall contain:
 - This two-page application form with all signatures submitted before the deadline.
 - A **one (1) page narrative** explaining the activity and its timeframe for which additional workload assignment is to be made for activities to improve students’ experiences or learning outcomes beyond your standard professional responsibilities, especially as these activities help eliminate equity gaps and support underserved, first-generation, and/or underrepresented students. (Narrative format: single-spaced, minimum 11-point font size; Times New Roman, Cambria, or Calibri font style, one-inch margins). Please see Provision 20.3 of the CBA for examples of factors that warrant consideration for workload adjustment and Provision 20.37 for examples of activities and practices that support diverse student populations.
 - One (1) Letter of Support (not to exceed one page) from someone (e.g., faculty, administrator, staff, student, or community member) who is familiar with your work on advancing inclusive excellence and can knowledgeably comment on its impact on student learning and achievement.
