### Online Type:
**OL** - Fully online course. Students are expected to complete the coursework at their own time. Note that students are still responsible for completing coursework assigned on or before the deadline for assignments, quizzes, exams, etc.

**OH** - Hybrid class in which students attend class sessions on campus and in an online environment. Class meetings are approximately half on campus at the specified date and time and half online in which students are expected to complete coursework at their own time.

All faculty are available by appointment, if needed. Contact the faculty directly to set up an appointment.
