

Gateways to Western Civilization: Greece and Rome FLIT 150 — Spring 2022

*Our modern world owes
much to the ancient Greeks
and Romans.*

This course examines the mixed legacies and influence of the Greeks and Romans on today's society. We will critically examine elements of democracy and representative government, literature and art, sport and military culture, mythology, religion, the scientific method, political philosophy, and much more.

*No prior knowledge of the
ancient world or ancient
language proficiency needed!
No final exam!*

General Education
Comparative Cultural Studies.

Section # 05186

Fully Online Course
