**Course Organizers:**

**Showing the Big Picture of Your Course**

**Tuesday, November 27th & December 11th**  
3:00pm - 5:00pm  
**University Hall 211 (November)**  
**Santa Susana Hall 108 (December)**

Would it be helpful to have a simple template that graphically shows students what your course (or class session) aims to accomplish? Through the use of the Course Organizer Routine, instructors can help students understand the "big picture" of the course, and how lectures fit within it, including identifying critical concepts that will be central to understanding the course content, and establishing rituals that will be used throughout the course to guide discussions and learning.

Visit the [Faculty Development Event Calendar page](#) for more information and to **RSVP**.
