- Students who are required to receive advisement will have a 'Registration Advisement Hold.' This means that you must meet with an advisor (described above) before signing up for classes.
- If you do not fall under #3 and #4 (Art, COMS, Mus 60+ units, and good standing), meet with your department.
- We encourage and recommend that you connect with your department advisor and/or the SRC/EOP advising office for your advising needs.
