**Help parents and children be reunited as a family**

Become a trained volunteer coach monitor and provide court ordered supervised family visits so that children, removed from the care of their parents, can visit their parents in a physically and emotionally safe setting. Each visitation site is filled with toys, games, books and art materials to provide a comfortable environment for children and their parents to have positive experiences together. These visits are an essential service to increase the family's chances for reunification and reduce the children's anxiety while in out-of-home placement. We are especially interested in bilingual volunteers who speak Spanish.

The visits will take place in an agency setting that provides strict health and safety protocols to protect the coach monitor and the families in Pasadena, South Pasadena, or El Serreno. For more information contact:
