Payment of Tuition and Other Fees Spring 2020

Tuition and other fees are due in full at the time of registration but no later than the deadlines listed in the Fee Payment Schedule below.

- You may be disenrolled from some or all of your classes unless payment is made in full by the deadline in myNorthridge Portal or your student account shows that you:

  - Are sponsored by a third party and the sponsor agreement has been received by the Office of Student Accounting at CSUN;
  - Are approved for fee waiver.

Any remaining tuition and other fees not covered by these programs must still be paid by the deadline. CSUN does not provide invoices to students.

- As soon as you register online, click Make a Payment or go to the Financial Matters (top center tab) > My Financial Obligations section > Make a Payment.
- A $25 late fee is charged starting the first day of the term if you have zero units at the time of enrollment.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Please go to www.csun.edu/stufin for fee changes if and when they are approved by the Board of Trustees.

Approved fee changes will be posted to your student account.
