The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Please go to www.csun.edu/stufin for fee changes if and when they are approved by the Board of Trustees.

Approved fee changes will be posted to your student account.
