

Graduate Studies Committee

Tuesday, October 13, 2020

2:00 p.m.–4:00 p.m.

Zoom

Agenda

- I. Call to Order
- II. Approval of September 8th Meeting Minutes
- III. Announcements
- IV. Action Items
 - A. College of Engineering and Computer Science – Monica Gianni and Danielle Spratt**
 - Computer Science**
 - Course Modification**
 - 1. COMP 442-Introduction to Machine Learning
Change requisites and course description
 - Electrical and Computer Engineering**
 - Course Modifications**
 - 2. ECE 443/L-Pulse and Waveshaping Circuit Design and Lab
Change requisites and course description
 - 3. ECE 602-Biomedical Engineering I
Change course title, short title, requisites and course description
 - 4. ECE 603-Biomedical Engineering II
Change course title, short title, requisites and course description
 - 5. ECE 637-Pattern Recognition
Change course number, course title, short title, requisites and course description
 - Manufacturing Systems Engineering and Management**
 - Course Modifications**
 - 6. MSE 420-New Product Innovation and Technical Entrepreneurship for Engineers
Change course level, requisites and course description
 - 7. MSE 610-Engineering Supply Chain Systems
Change course number, requisites and course description
 - Mechanical Engineering**
 - Program Modification**
 - 8. M.S., Mechanical Engineering

B. College of Science and Mathematics – Monica Gianni and Danielle Spratt

Chemistry/Biochemistry

New Courses

1. CHEM 543-Chemistry of Energy
2. CHEM 555/L-Computational Molecular and Materials Chemistry and Lab

Mathematics

Delete Course

3. MATH 542D-Topics in Probability and Statistics

C. College of Health and Human Development – Joannie Busillo-Aguayo and Julie Gainsburg

Communication Disorders and Sciences

Course Modifications

1. CD 717-Management of Speech and Language Disorders for Audiologists
Change course description
2. CD 755-Advanced Pediatric Audiology: Development, Assessment and Intervention
Change course description
3. CD 764-Industrial, Occupational and Forensic Audiology
Change course description

Health Sciences

Course Modifications

4. HSCI 434-Lactation Education: Prenatal & Perinatal Period
Change course level and course description
5. HSCI 446-Lactation Education: Postpartum Period
Change course level and course description
6. HSCI 488-Epidemiology: Study of Disease
Change course level, basis of grading and course description
7. HSCI 531-Seminar: Health Education Program Planning and Evaluation
Change course title, short title, requisites and course description
8. HSCI 533-Advanced Concepts of Health Behavior
Change course title, short title and course description
9. HSCI 535-Curriculum Development in Health Education
Change course title, short title, requisites and course description
10. HSCI 537-Communications in Health Education
Change course title, short title and course description
11. HSCI 538-Seminar: Community Health Action
Change course title, short title, requisites and course description
12. HSCI 541-Administration, Supervision and Consultation in Public Health
Change course title, short title and course description

13. HSCI 591-Quantitative Demography for Health Science
Change course title, short title and course description
14. HSCI 592-Advanced Biostatistics for the Health Sciences
Change course title, short title, requisites and course description
15. HSCI 613-Managing Change in Health Care Organizations
Change course title, short title, classification, requisites and course description
16. HSCI 614-Health Administration: Financial Management
Change course title, short title, requisites and course description
17. HSCI 615-Information Management for Decision Making and Control
Change course title, short title, requisites and course description
18. HSCI 616-Quality Assurance in Healthcare
Change course title, short title, requisites and course description
19. HSCI 618-Strategic Planning in Health Administration
Change requisites and course description
20. HSCI 694-Research Design
Change course title, short title, requisites and course description
21. HSCI 696-ADVANCED EPIDEMIOLOGIC RESEARCH METHODS
Change requisites and course description
22. HSCI 698C-Thesis or Graduate Project
Change course title, short title and course description
23. HSCI 698E-Integrative Learning Graduate Project
Change course description

Program Modifications

24. M.P.H., Public Health, Community Health Education Option
25. M.S., Health Administration

Kinesiology

Course Modifications

26. KIN 619-Seminar in Dance Science
Change course number, requisites and course description
27. KIN 643-Dance Performance Analysis
Change course number

Program Modification

28. M.S., Kinesiology

D. David Nazarian College of Business and Economics – Entire Committee

Accounting and Information Systems

Course Modification

1. ACCT 511- Accounting Ethics and Professional Responsibilities
Change course level, requisites and course description

V. External Review Meeting Update
Kinesiology Department – Danielle Spratt

VI. Discussion Items

1. Update: GVAR Requirement – Amy Levin
2. Graduate Admissions – Amy Levin
3. Streamlined Process for Updating Course Titles

VII. Adjournment
