

Graduate Studies Committee

Tuesday, December 10, 2019

2:00 p.m.–4:00 p.m.

Education 1214

Agenda**View Curriculum Proposals in OnBase:**Link to Web Client: <https://onbase.csun.edu/AppNet/Login.aspx>

Login with your CSUN USER ID and password. Note: User ID will only display in all CAPS.

- I. Call to Order
- II. Approval of November 12th Meeting Minutes
- III. Announcements
- IV. Informational Item
 1. M.A. in Music Industry Administration: Admission Requirement Changes
- V. Action Items

A. College of Engineering and Computer Science (OnBase) – Monica Hussein and Mira Pak**Computer Science*****New Course***

1. COMP 442-Machine Learning Principles

Program Modifications

2. M.S. in Computer Science
3. M.S. in Software Engineering

Electrical and Computer Engineering***Course Modification***

4. ECE 612-Selected Topics in Power Systems
Change course number, course title, short title, prerequisites and course description

New Course

5. ECE 551-Image Processing

Program Modifications

6. M.S. in Computer Engineering
7. M.S. in Electrical Engineering

Manufacturing Systems Engineering and Management

Course Modifications

8. MSE 602-Entrepreneurship and Innovation for Engineering Professionals
Change prerequisites and course description
9. MSE 606-Production and Operations Management for Engineers
Change short title, prerequisites and course description
10. MSE 610-Engineering Supply Chain Systems
Change prerequisites and course description
11. MSE 617-Seminar in Quality Management
Change short title, prerequisites and course description
12. MSE 618-Six Sigma Quality Engineering
Change prerequisites and course description

VI. Program Review Exit Meeting Report
History – Casey terHorst

VII. Discussion Item
1. Update: Culminating Experiences Policy

VIII. Adjournment
