DEPARTMENT OF GEOGRAPHY

PROCEDURES FOR PERIODIC REVIEW OF TENURED FACULTY

The Department of Geography has adopted the procedures outlined in Section 600 for the periodic review of tenured faculty. The Department of Geography details the following procedures complementary to Section 600.

1. The purpose of post tenure review is to evaluate tenured faculty members with regard to professional preparation, teaching effectiveness, scholarship and service.
2. All tenured faculty in the Department will be evaluated at five-year intervals, beginning with the fifth year following attainment of tenure. In cases whereby the post tenure review cycle coincides with evaluation for promotion, the requirement for a separate post tenure review will be waived.
3. In those years when post tenure review is required, a committee of three faculty who are tenured and hold the rank of Professor will be elected to form the Peer Review Committee. The Peer Review Committee may be a subcommittee of the Department Personnel Committee. The Committee will elect a Chair. In cases where there are insufficient department faculty to serve, faculty who are tenured and at the rank of Professor from related academic disciplines may be asked by the Department Chair in consultation with the faculty under review to serve in this capacity.
4. Each faculty member under review will submit to the Peer Review Committee and the Department Chair a current Curriculum Vitae that includes accomplishments since the last personnel review. The Curriculum Vitae should include (1) Professional Preparation, (2) Teaching Effectiveness and Direct Instructional Contributions, (3) Contributions to the Field of Study, and (4) Contributions to the University and Community.
5. The Department Peer Review Committee will have access to the faculty member's Personnel Action File, including student evaluations.
6. When the evaluation is complete, the Department Peer Review Committee shall provide a written report of the evaluation to the faculty member under review ten calendar days before it is sent to the College Dean and placed in the faculty member's Personnel Action File.
7. The Department Peer Review Committee will follow all deadlines as prescribed in the Calendar of Section 600.
