Private school seeking full time science instructor
(subjects taught include: Geology, Chemistry, Biology & Physics)

Small class size, no more than 12 so teachers can reach all students & a very rewarding experience!

We require you have a California teaching credential or you may be working toward a credential.

This is a great opportunity to be working full time as you complete your teaching credential.

The Hillside School is WASC accredited, certified by the California State Department of Education and courses are approved by UC/Cal State/UC/NCAA.

Please email resume to Cyndi Hatcher: hatcher@hillsidelc.org

Please no phone calls.
