SAFETY AND SECURITY

The Office of Student Housing knows that safety is essential to personal and academic success at CSUN. Because of the importance of safety, the department provides facilities, services, and procedures to make the complex as safe as possible.

COMMUNICATION IN AN EMERGENCY

The University will, when at all possible, use information available in SOLAR to communicate with students in an emergency.

CSUN Student Responsibilities:

• Ensure your emergency contact information is up-to-date in the myNorthridge portal. This information is used with our mass communication system to notify you of a critical or emergency situation.
• Listen carefully when faculty, staff and emergency personnel tell you what to do.
• Take drills seriously and encourage others around you to do the same.
• Know the location and content of building evacuation maps, including the designated outside evacuation areas. Note: Building evacuation maps are located near the elevators and stairwells.
• Learn what to do in an emergency – know about the campus emergency procedures such as how to respond to a medical emergency, fire/explosion, hazardous materials spill, bomb threat, earthquake, etc. To learn more about response procedures during an emergency, please go to our website: https://www.csun.edu/emergency/emergency-desk-reference
• Create Emergency Communications Plan - determine how you will stay in contact if separated by a disaster: chose an out-of-state friend or relative as a “check-in contact”.

COMMUNICATION METHODS

Connect-ED - Mass Communication System
The Connect-ED system allows CSUN administration or emergency response personnel to send all students, staff and faculty time-sensitive information about unforeseen events and emergencies using voice, email and text-messaging. The system can be used to broadcast pertinent information and provide details on appropriate response.
Campus Carillon - Outdoor Public Broadcast System
The Carillon is an outdoor public broadcast system. It alerts persons who are outdoors and is not designed to be heard inside buildings. Real-time messages and emergency instructions can be broadcast.

CSUN Home Page
Another source for emergency information is the CSUN home page: http://www.csun.edu. During a critical incident or emergency, information will be prominently displayed on the home page.

CISCO IP Phone Alert
The campus CISCO IP telephones allow CSUN administration and emergency response personnel the ability to simultaneously send an audio and text message to office phones.

Emergency Signage
Emergency signage may be placed along the campus perimeter and within the campus to alert you to campus evacuation, closure, partial closure or testing of emergency communications. The signs include the LED message boards, the electronic marquee on Zelzah and laminated signs on sandwich boards strategically placed around the campus.

CSUN Campus Status Information
You may call the toll-free numbers during a campus emergency or critical incident for information on the status of the campus, i.e., if the campus is closed, if classes have been cancelled, or other announcements.

Students and Community: (866)515-2786

Two-Way Radios
Campus employees who use two-way radios for routine business (for example, Police, Physical Plant, etc.) will also receive alerts and warnings via their radios.

Hand-Held Megaphones
Specially trained staff and faculty acting in the capacity of volunteer Building Marshal or CSUN CERT (Community Emergency Response Team) members have access to hand-held megaphones to communicate during an emergency or critical incident.

Reporting an Emergency
To report an emergency, faculty, staff and students can use the blue light phones located on the campus. When activated, the phone connects directly to a CSUN police dispatcher. There are 60 blue light phones strategically placed on campus. There are also yellow emergency call boxes that are TTY compatible for the hearing impaired.
911
To report an emergency from any campus phone, dial 911. You will be connected directly to the CSUN police dispatch center.

Student Housing On-Call Duty System

• 12 Resident Advisors (RAs) perform on-call duty each night.
• RAs will be on duty from 7:00 p.m. – 8:00 a.m. Monday through Thursday
• 7:00 p.m. Friday through the following Monday morning at 8:00 a.m. While on duty, the RAs will walk the communities, visit with residents, look for security and maintenance concerns, and address policy violations. The rest of the time, they will be available in and around the buildings.

A Community Director (CD) is also on duty each night to assist with both personal and facility emergencies as well as with disciplinary situations. The CD on duty will be contacted by the RA as the need arises. The CD’s are professional live-in staff members. These staff members are full-time professionals who are trained to handle counseling, disciplinary, and crisis situations. A CD is on call 24 hours a day, 7 days a week, including holiday periods.

Matador Patrol Program

The Matador Patrol program is a service provided by the Department of Police Services. While the Matador Patrol staff members are not police officers, they are a division of the Department of Police Services and work closely with police officers and Residential Life Staff (including Resident Advisors and Community Directors).

The Matador Patrol observes the grounds of on-campus housing and provides walking campus escorts at night. These staff members also monitor drive-in gates to The Park Apartments and Suites each night from 7:30 p.m. - 2:30 a.m. More information about the Matador Patrol and Escort Program can be found at http://www.csun.edu/police/matador-patrol or by calling (818)677-5042. Restricted Access Matador Patrol and Private Security Guards will control access to The Park Apartments and Suites at Lindley Avenue, Zelzah Avenue, Lassen Street and Building 15 entry points each night from 7:30 p.m. - 2:30 a.m. All other walkways and driveways will be locked during this time. Be sure to move your vehicle out of any parking area that will be locked if you or your guests intend to use it during these times. These procedures were put in place to provide you with a higher level of security. Please be courteous and cooperate with the Matador Patrol and security staff in following the required safety procedures.

THE PARK APARTMENTS AND SUITES GATE ACCESS PROCEDURES

When The Park Apartments and Suites perimeter gates are locked, on-campus housing residents will be granted access by showing their CSUN I.D. card to gate personnel who will swipe the card into our system. Guests gain access through approval by a resident host and with a guest pass obtained from the gate personnel between the hours of 7:30 p.m. and 2:30 a.m. In either case, you AND your guest must be present to register.

If your guest will be staying past 1:00 a.m. you must register and gain approval to host an overnight guest using our on-line overnight guest registration system. Those registrations need to be completed by 3 p.m. the day before the stay OR by 3 p.m. on a Thursday for a weekend stay. For additional
guest policies and procedures, please see our policies section at the end of this handbook.

When a resident or guest drives into the facility, a current valid residential parking permit must be displayed in or on the vehicle. Those without permits will be directed to purchase a visitor parking permit or to public parking on the city streets.

**Building Entry:**
At check in, you will receive an electronic key card that will open your unit, building lobby doors/stairwell doors for your building, the pool areas (during hours when the pool is open), the computer lab, and the building where mail services are located.

**Key Cards:**
You are issued a key card to your assigned unit and are responsible for your own key card. Key cards may not be lent to or exchanged with another individual. There is a $25.00 non-refundable charge for any key card that is lost, stolen, or too damaged to read. It is a misdemeanor for any person to knowingly duplicate, make, cause to be duplicated, use or have in possession a key to a building controlled by the State without proper authorization (Section 469 of the California Penal Code).

**Locked Out:**
During regular business hours (8am – 5pm, Monday – Friday) go to the Student Housing Office for assistance. When the Student Housing office is closed the staff in the Building 18 Community Center can assist you. A $5.00 charge will be posted to your CSUN account for all lock-outs.

**Intercom System for The Park Apartments:**
The intercom system allows your guests to notify you that they are at the entrance of your building. Guests will press the apartment # on the intercom panel at the main entrance of the building.
Lost Key Cards/Keys:
You are responsible for the key card and mailbox key (if applicable) issued to you. If your key card is lost or stolen, immediately contact the Student Housing Office to obtain a new key card. A replacement key card costs $25.00. Please report lost or stolen cards promptly for the safety of your roommates, neighbors, and other community members.

Bedroom Locks in The Park Apartments:
Your bedroom door has a privacy feature to allow you to lock the door when you are not in your bedroom. To lock the door you need to double dip your key card and then double-dip the key card again to unlock it. Only residents assigned to the bedroom will have access to lock and unlock the bedroom door.

Insurance & Personal Property:
The University does not assume liability directly or indirectly for loss or damage to personal property by fire, theft, water, or any other cause except to the extent provided by the law. Renters insurance is strongly encouraged for residents. Additionally, the University is not responsible for personal property left behind by residents after their withdrawal, transfer, departure, suspension, or eviction from any room.

Fire Sprinklers in The Park Apartments:
Please do not tamper with or hang items (clothing, decorations, etc.) from fire sprinklers!

All units within The Park Apartments are equipped with fire sprinklers. They are activated by only two things:

1. Extreme heat in the immediate area, such as a fire would produce. The heat melts the red filament that signals the sprinklers to activate to extinguish the fire.

2. Tampering with or accidentally bumping the sprinkler heads with enough force to break the red filament.

When sprinklers are activated, 60 gallons of water per minute are emptied until the system is reset. It would take at least 10 minutes to reset the system, usually longer. The damage and disruption caused by 600 -1800 gallons of water is devastating and costly to clean up and repair. The damage may not be limited to one room, as the water seeps into other rooms. By law, you can be personally held accountable for losses to the other residents in the building should they sustain water damage. Please use extreme caution around the sprinkler heads. Costs to clean and repair are billed to the unit where the sprinklers were activated.
If the sprinkler is activated in your unit, vacate the room and call Police Services immediately at (818) 677-2111. Then find the nearest RA or other housing staff member. The sooner staff are aware of the situation, the faster they can respond. Finally, if you experience what you believe to be losses as a result of a sprinkler activation, do not throw away any items that you perceive to be damaged. Take photos of the damaged items.

**Department of Police Services:**

The Department of Police Services can be reached by dialing x2111 from a campus phone or, in case of emergency, 911 from a campus phone or landline. If you are using a cell phone you must dial (818) 677-2111.

**What I Can Do to Stay Safe:**

**LOCK** your doors and windows when leaving your unit (even if you are only gone for a few minutes), when taking naps, and when retiring for the night. When taking naps, and when retiring for the night. If you prop your door, make sure there is someone in the living room and make sure to un-prop the door when there isn’t. Often residents forget to un-prop them, thus leaving your unit open to anyone. **LOOK** out of your peephole installed in your door whenever someone knocks. Do not open the door for people you do not know.

**MAKE** a list of your personal belongings, including the identification and serial numbers of your items. Keep this information in a safe place.

**KEEP** all money and valuables in a safe place. Do not keep large amounts of cash in your room. Consider leaving valuable items at home or in a safe deposit box.

**CLOSE** all public area doors behind you.

**NEVER** prop open lobby or stairwell doors. Alarmed exits are in each building and should only be used for emergency purposes.

**DO NOT LET** people you do not know into the building or your unit. By opening the door for someone, you are accepting responsibility for him or her as your guest. Ask visitors who they are looking for and then refer them to the intercom at the door of the building, the Student Housing Office, or to the Community Center.

**DO NOT LOAN** your key card to anyone. Not only is it a violation of Student Housing Rules and Regulations, but it puts your roommates and members of your community in jeopardy.

**REPORT** suspicious people or circumstances to the RAs, the Student Housing Office, or the police. This includes
vendors and unescorted, non-residents who are inside the building. The Department of Student Housing does not allow solicitation of residents in our buildings. If someone tries to sell you something in the building, report it!

**WALK** with another person at night. Matador Patrol can be contacted for a walking escort between 9 p.m. - 1 a.m. Sunday through Thursday and 9 p.m. - 2 a.m. on Friday and Saturday. The Matador Patrol also offers walking and van escort service to campus during the academic year. If you need an escort outside of the complex, please contact the Matador Patrol at (818)677-4997.

**Fire Alarms**

When the fire alarm sounds, stay calm. Before exiting the unit, feel the door for heat and look at the door seals for signs of smoke. If the door is hot or you see smoke, stay in your unit, put a wet towel at the base of the door, and call for help. If it’s safe to exit the unit, put your shoes on, grab your keys, and evacuate the building immediately. If it’s safe to do so, bring a wet towel to cover your nose, mouth, face and head if necessary.

If you encounter smoke, stay low.

If you are overcome by flames: Stop, Drop, Roll and cover your face.

Move to the designated Evacuation Point outside the building, and wait for instructions from a staff member (maps are located on the back of each unit door). Whenever the fire alarm sounds, you must leave your room at all times if there is no fire or smoke immediately outside your door.

**Injuries**

Residents are encouraged to purchase or create their own minor first aid kits. In the event of a serious injury or emergency, immediately contact the Department of Police Services at 911 or at (818)677-2111 if you are using a cell phone.
Earthquakes
• Duck or drop down on the floor.
• Take cover under a sturdy desk, table or other furniture (or move against an interior wall, and protect your head and neck with your arms).
• If you take cover under sturdy furniture, hold on to it and be prepared to move with it.
• Hold your position until the ground stops shaking and it’s safe to move. If it’s safe to exit the unit, put your shoes on, grab your keys, and evacuate the building.
• If it’s safe to do so, bring essential items such as critical prescription medicine. If you have an Earthquake Emergency Kit, bring it.
• Move to the designated Evacuation Point taking care to keep away from downed trees, debris, and electrical lines (maps are located on the back of unit doors).

If you cannot exit the building, tie a light colored shirt to a balcony railing and suspend it so that it can be seen by others.

Sheltering In Place
If there is an emergency requiring you to ‘shelter in place’ (generally, staying where you are and taking precautions such as locking doors, closing and locking windows, turning off air systems, etc.) the university will make every effort to inform you of the need to do so. However, you are also responsible for your own safety and for gathering as much information as you can.

ON CAMPUS HOUSING
MISSING STUDENT POLICY
AND PROCEDURE

CSUN takes student safety seriously. If you believe that a student who resides in on campus housing has been missing, immediately notify the CSUN Department of Police Services at (818)677-2111. CSUN Police will initiate an investigation in accordance with the departments missing person policy and will undertake the emergency contact procedures as appropriate.

Missing student reports should be made directly to the Department of Police Services. However, these reports may also be made to the Residential Life Office in the Students Housing office, or the Associate Vice President/Dean of Students Office in University Hall 310. If the missing person report is made to staff or organizations other than CSUN Police Services, that entity must contact Police Services immediately.

Contact Procedures

At the beginning of each academic year, CSUN will inform students residing in on-campus housing that CSUN will notify a parent, guardian or an individual selected by the student not later than 24 hours after the time the student is determined to be missing. This information will remain confidential and only used during a missing person investigation by campus officials and law enforcement. Students have the option of identifying an individual to be contacted by CSUN. If the student is under 18 years of age, and not an emancipated individual, CSUN is required to notify a custodial parent or guardian not later 24 hours after the time that the student is determined to be missing in addition to any additional contact person designated by the student. When CSUN Police makes a determination that a student who is the subject of a missing person report has been missing for more than 24 hours and has not returned to campus. University Police Services will initiate the emergency contact procedures in accordance with the student’s designation and will also notify local law enforcement.

Police Services Action

The Department of Police Services has a law enforcement missing persons policy that is followed in all such cases. The Department may release a photo of the missing student as a tool to assist in locating the individual and may seek information and/or assistance from a variety of campus resources during the course of the investigation.
FACILITIES AND SERVICES

Maintenance and Custodial Services
Student Housing is your home for the coming year, and we are happy to have you here. If there are necessary repairs or maintenance issues, please submit a Maintenance Request on-line at your Student Housing Portal, by phone at (818)677-2234, or on a request form located in the Student Housing Office or the Community Center in Building 18. Maintenance or Custodial staff members usually respond to these requests within 24 hours. Most repairs are free of charge provided it was not due to vandalism or caused by the resident.

Trash Receptacles
To maintain a clean and healthy living environment, please remove the trash from your unit regularly and deposit it in the large trash bins located in gated areas near each building. We request that trash from your room not be placed in the smaller waste cans located within the buildings. All food products must be thrown away in trash bins. Recycling bins for aluminum items, glass, and newspaper are located near the outside trash bin areas.

Parking
To park in the residential parking lots, including the parking structure next to Lupin Hall (Building 11), you must purchase and display a resident parking permit. The permit is valid in on-campus student lots and in the residential parking lots. General student permits are not valid in the residential parking lots. Vehicles without proper permits will be cited. Special permits are required for staff and disabled parking spaces. University Parking Services oversees all parking operations. You may purchase a resident parking permit through your MYCSUN Portal.

University guests and visitors must purchase and display a Parking Permit as well. Daily permits may be purchased at a permit dispenser in the G9 Parking structure by Lupin Hall (Building 11). Permits cost $8.00 per vehicle per day and allow vehicles to park in the Residential Parking Lots.

Cable Television Services
DIRECTV provides cable television service to The Park Apartments and Suites. You can find the channel line-up at: http://www.csun.edu/housing/living-housing. Contact
DIRECTV directly if you want to order additional channels. Options for adding channels costs extra and is billed to the resident separately.

Recreational Facilities
Basketball and sand volleyball courts are open from 10 a.m. – 10 p.m. daily on the east side of The Park Apartments and Suites. Three swimming pools are located in Student Housing, two on the east and west ends of the Park Apartments and Suites and one in the Village. Pool Hours are 10 a.m. – 10 p.m. daily. Guests must be accompanied by a resident. Because there is no lifeguard on duty, you swim at your own risk. Children are not allowed to swim without the presence of an adult who is responsible for their safety. For safety reasons, glass containers are not allowed in the pool areas.

Mail - Receiving, Sending, and Pickup
If you have mail sent to you while you are living in student housing, the address you will use is as follows:

Your name
Student Housing
17950 Lassen St., (Box #)*
Northridge, CA 91325

*Your mailbox number is located under contact information in your Student Housing Portal.

Mail for each building is sorted and delivered Monday through Friday. Residents in The Park Apartments and Suites will be assigned a mailbox outside the lobbies of either Piñon Hall (Building 9) or Heather Hall (Building 13). If you receive a package or oversized envelope that will not fit into your resident mailbox, you will receive a package notification via email. You may retrieve your package when you bring a photo I.D. (CSUN I.D. or driver’s license) to the Mail Services Office in Piñon Hall (Building 9).

Computer Lab
A computer lab is located in the Community Center (Building 18). Your room key gives you access to the outside building doors and the lab itself. Computers are also available in the common area of the Learning Center (Building 21). No food or drink is allowed in the computer lab and students engaged in school work have priority to use the computer. Wireless printing stations are available in the Learning Center (Building 21) and Community Center (Building 18).

Residential Computing Resources (RCR)
Residential Computing Resources supports broadband and reliable network connections throughout The Park Apartments and Suites, including wireless connectivity in common study areas. Illegal file sharing is expressly prohibited.
You can access the wireless network by joining the “EDUROAM” network. You may also use the Ethernet ports located in each unit to connect to the campus network. Do not use your own wireless access point or router. These devices disrupt the wireless environment provided. All network devices not installed by CSUN networking staff will be deactivated.

**Vending Machines**
Beverage machines and some snack machines are located in most buildings in The Park Apartments. Malfunctions or money losses should be reported to the University Corporation by following the instructions posted on each machine. The University Corporation can also be reached at (818)677-6583.

**Laundry Facilities**
Washers and dryers are provided on the first floor of each Park Apartment building, each floor of the Park Suites. Use your apartment/suite key for access. Machines are operated with credit or debit cards. Malfunctions should be reported to the laundry company as indicated on the machines. Please remember that you are sharing these facilities with many residents. Do not leave your clothes unattended, and remember to respect others’ property.
ABOUT YOUR LIVING SPACE

You and your roommates will be sharing a living space for the academic year. It’s a good idea to discuss how you want to clean, share materials, and decorate/arrange the unit so that you may live together comfortably. Your RA will have a roommate agreement available at check-in and will follow up with you and your roommates to ensure its completion. This a great tool to help guide you in the process of deciding how you will live in your individual unit. Your happy coexistence with your roommates is a big part of our motto: “Success Lives Here.”

UNIT MAINTENANCE

Trash Disposal
Grease, oil, or hard food should not be poured down any drains in your unit. You should let the grease, oil, or hard food cool and then place it in a container to be removed with the rest of your trash. Leftover food should not be flushed down the toilets, it should be thrown out with the other trash to maintain a clean and healthy environment.

Pest Control
Keep your unit clean and store food properly, placing leftovers in containers with a cover, in plastic saran wrap, Ziploc bags, etc. This deters pests. If you have pest problems, fill out a Maintenance Request form in your Housing Portal. However if you get ants, you must clean the area thoroughly and treat that area yourself with ant spray that you have purchased. Based on state regulations the university cannot provide chemicals or apply chemicals in your unit. The university can provide a professional exterminator for the treatment of other pests beyond the ants as mentioned.

Toilet Cleaning
Cleaning your toilets regularly is important, however certain types of cleaners will harm the toilet tanks. Toilet tank tablets (large tablets put directly into the tank to release cleaners over time) are prohibited because they clog the toilets and require maintenance service. If these items are used and create a problem, we will charge residents for required services.

Appliances
Listed below are kitchen appliances that may NOT be used in units for safety reasons. Please note that no more than a total of 3 appliances should be simultaneously plugged into the outlets in a room. If more than 3 are plugged in, the circuit breaker may “pop” causing a loss of power to those outlets.

Not Allowed
• Hotplates
• Deep Fat Fryers
• Electric Frying Pans
• Space Heaters
• Halogen Lamps

**Special Guidelines for Apartments Without Kitchens**

Student Housing does not provide kitchen equipment for personal use in any apartment without a kitchen. Attempting to use bathroom sinks or toilets as a garbage disposal while cooking in your apartment may result in a pipe clog, which will result in charges. All residents living within a Park Apartment building with no kitchens may use common area kitchens. Each individual using the common area kitchen will be responsible for cleaning the area after each use; this includes throwing trash into the appropriate receptacle, and washing the area(s) used while cooking. Failure to comply with these guidelines may result in the loss of use in the common area kitchens and a charge for cleaning the common area.

Listed below are kitchen appliances that may be used in apartments without kitchens.

• Refrigerator (4.5 cubic feet/3 feet high)
• Microwave
• Coffee Maker
• Blender

**Damages**

When you move in, fill out a Unit Condition Report on line. Indicate on this form the condition of all areas of your unit. When you vacate your unit, it will be inspected and you will be billed for any missing items or damages beyond normal wear and tear. It is important that you document everything that you’ve inspected in the unit. You will NOT be billed for legitimate damages that were documented on the Unit Condition Form. This is your documentation that the damage(s) existed prior to your moving in.

**Walls and Door Ceilings**

Any method you use to attach something to the walls or ceilings may cause damage, so consider the potential damage before you proceed. While neither sanctioning nor prohibiting attaching things to the walls or ceilings, we remind you that the cost of repairing and repainting damaged room walls or ceilings will be billed to unit residents. The Command Strip brand of removable adhesives works best for hanging things on walls (other brands tend to leave marks when removed).
RESIDENT NOTICES

Notice to students concerning peer-to-peer file sharing:
The purpose of this notice is to remind students that online file sharing of copyrighted material is against the law and can result in an individual’s loss of access to the campus internet connection.

The campus Office of Information Security responds to reports of abuse and can block access to the Internet when a computer is reported as sharing files illegally. To prevent being blocked from the University network, do not install or use any file sharing software like Usenet or BitTorrent, which execute commands that can place your computer at risk. In the event a computer has been blocked from the network, the owner must take the following steps to be reconnected: Bring the computer to Oviatt Library, Room 33, which is open Monday through Thursday 8:00 a.m. - 7:00 p.m. and Friday 8:00 a.m. - 5:00 p.m. Residents living on campus may bring their computer to the IT office in Student Housing. Technicians will verify that the computer has indeed been blocked.

Technicians will uninstall any file sharing software on your computer.

Once the computer has been cleaned, it will be permitted back on the University network. Repeat violations will be turned over to the office of the Dean of Students and can result in disciplinary sanctions.

Additionally, if you allow your computer to illegally download or distribute copyrighted material, you can face civil law suits from the Recording Industry of America and/or The Motion Picture Association of America for downloading copyrighted content. In extreme cases, you can be charged with a crime and face fines and/or jail time. Policies governing the use of copyrighted materials and the use of University’s technology resources can be found at the following locations:

Federal laws governing copyright protection can be found at http://www.copyright.gov/title17/

Swimming Pool Safety Alert
Each year, about 260 children under age five drown in swimming pools. The suction from drains in swimming pools, under certain conditions, can entrap swimmers underwater. Closely supervise young children, and be prepared in case of emergency. If a child is missing, always look first in the pool. Seconds count! Knowing how to swim doesn’t make a child drown-proof. Never use flotation devices as a substitute for supervision. Keep rescue equipment and a phone next to the pool. Learn cardiopulmonary resuscitation (CPR). For more information, please visit CPSC’s Web site at: http://www.cpsc.gov/.

Use of Skateboards, In-line and Roller Skates, Hover Boards and Similar Equipment on Campus Grounds

The use of in-line skates, roller skates, skateboards, electronic skateboards and other similar skating equipment on the grounds of the campus or other grounds owned or controlled by the University is permitted for individual transportation purposes only by students, University employees, or other individuals conducting official University business, utilizing University facilities available to the public or attending University programs. Regulations. Student residents are permitted to host guests as long as the rights and privacy of the other persons living in the unit are taken into consideration, and the following guidelines are observed.

- Persons who hold a current housing license agreement but are visiting residents in other units are considered Residential Guests; all others are considered Non-resident guests. There are two types of Non-resident Guests permitted to visit the Housing complex: Short Term Guests and Overnight Guests.

- The definition of a Short Term Guest is any person, hosted by a student resident, who does not hold a Housing license agreement, and will not be remaining in the housing complex after 1 a.m. The definition of an Overnight Guest is any person, hosted by a student resident, who does not hold a Housing license agreement, and will not be remaining in the housing complex after 12 noon the day following their arrival. (As specified on their online registration form).

The following is a list of policy guidelines for hosting all guests:

a. Non-Resident Guests arriving or remaining in the complex during the hours of 7:30 p.m. and 12 a.m. must be registered. Any guest not registered to stay overnight must leave the housing complex by 1 a.m. and not return before 7 a.m.

c. Consequences of violating Overnight Guest policy include a potential judicial fine of up to $30 per night for each violation. This includes large unauthorized group parties, gatherings, or events.

d. Any guest (resident or non-resident), must leave the unit at any unit resident’s request.

e. All roommates must give their approval before any guest enters the unit. The right of a resident to occupy her/his room/apartment without the presence of a guest will take precedence over the right of a roommate to host guests. Residents may revoke their approval of a guest for any reason at any time and the guest must then vacate the
complex.

f. No student resident may allow guests access to the housing complex after 7:30 p.m. without following the registration process outlined above. This includes boyfriends, girlfriends and family members.

g. All non-resident guests must wear a guest bracelet easily visible on their person while present in the housing complex. Guest bracelets can be obtained after 7:30 p.m. at one of the guard stations by one of the security gates.

h. Residents are responsible for their guest’s conduct at all times and any damages incurred by that guest. All guests must comply with all University and Student Housing policies. Guests may be asked by University staff to provide identification or leave the premises at any time. The guest must comply.

i. A guest must be accompanied by her/his host at all times. Guests are not permitted to be unescorted and may not be left unattended in the host’s unit or within the community.

j. No residents or guests may sleep in the lounges, lobbies or other public areas unless it is in conjunction with an official hall sponsored event or other university purpose and approved in writing by a Community Director or other Housing professional staff.
