

# CANVAS ALLY ACCESSIBLE COURSE CONTENT

Canvas Ally is a CSUN service to help make course materials in Canvas more accessible.

Canvas Ally provides faculty with feedback on the accessibility of course materials in Canvas using a visual dial. The service supports faculty in improving accessibility through suggested step-by-step instructions.

Need help!

A little better

Almost there

Perfect!

Canvas Ally also provides students with accessible alternative formats for course content such as formats that are optimized for e-readers.
