

# INSPIRE A NEW GENERATION BECOME A TEACHER!

## Whatever your major, you are eligible for a teacher credentialing program

- A bachelor's degree from a regionally accredited institution is required. However, your degree does not have to be in the subject you wish to teach.
- There is no prerequisite coursework required to apply to any of our programs.

## Most graduate credential programs can be completed in as little as two semesters

## Financial aid, grants, and scholarships are available

## Teaching is a rewarding profession

- Teaching is a challenging, creative, and complex field.
- If you have a desire to promote social justice and make the world a better place, teaching is a powerful way to pursue your goals.

## It's a great time to go into the field of education

- The demand for credentialed teachers is high and job opportunities are plentiful.
- In addition to good salaries, teachers enjoy excellent benefits compensation in the form of medical, dental, and vision coverage, even during retirement.
- The California State Teachers' Retirement System offers unparalleled benefits.
