PAST INTERNSHIP/APPLIED HISTORY PLACEMENTS

In the past five years, we have placed over 100 students in positions at 70 different institutions.

The following is a list of some of the partner organizations that have hosted History Department interns in the past. Additional opportunities are available and the Internship Coordinator can assist students in establishing an internship with a new partner organization.

To pursue an internship, please call the Department Office at 818-677-3566 to schedule an appointment with our Internship Coordinator, Dr. Jessica Kim.

Please do not contact these organizations directly; this list is only to give a sense of internship possibilities.
