JusticeCorps is an innovative approach to solving one of the more pressing issues faced by courts around the country today: providing equal access to justice. JusticeCorps recruits and trains university students annually to serve in California’s overburdening legal self-help centers which specialize in family law, housing, landlord/tenant disputes, or small claims.

**PROGRAM BENEFITS**

1. Learn about the law & the legal field.
2. Earn an educational award with AmeriCorps.
3. Provide a much needed service across locations in Los Angeles.
4. Develop networking opportunities.
5. Gain professional experience & transferable life skills by working with court staff & the public.
6. Earn course credit.

**ACADEMIC, SUMMER, & FELLOWSHIP POSITIONS AVAILABLE!**
