CRITERIA AND PROCEDURE FOR REVIEW OF TENURED FACULTY (Section 600)

I. Peer Evaluation

A. Frequency of Evaluation

1. Each tenured faculty member in the Department shall be evaluated at least once every five years. A normal evaluation for promotion shall be considered an evaluation under these procedures.

B. Notification and Calendar for Evaluation

1. On or before November 1 of the academic year of the evaluation, faculty members identified for evaluation shall be notified, in writing, by the Department Chair of their selection for evaluation. The evaluation shall be completed by the end of the academic year of the evaluation.

C. Peer Review Committee

1. The Department of Management Personnel Committee will be reconstituted as the Department of Management Peer Review Committee. Should any member of the Department Personnel Committee be identified for peer review evaluation or should a member of the committee be at associate professor rank, he or she shall not be eligible to serve as a member of the Department Peer Review Committee. A replacement for the disqualified faculty member shall be designated by the Chair of the Department.
2. The Chair of the Department of Management Personnel Committee shall also serve as the Chair of the Department of Management Peer Review Committee.

D. Peer Evaluation of Teaching Effectiveness

1. A class visit shall be made by at least one member of the Department Peer Review Committee. The faculty member being evaluated shall have the right to be visited by more than one member of the Department Peer Review Committee if he or she so desires

II. Student Evaluation of Teaching Effectiveness

- A. Procedures for Collecting, Processing, and Interpreting Written Student Evaluations of Teaching Effectiveness.
1. A student evaluation questionnaire, approved by the department faculty, will be administered in each class being evaluated. The questionnaire also provides students with an opportunity to submit open-ended comments about the class and the instructor. Normally each section of each course in the Department of Management will be evaluated each semester. Each faculty member of the Department shall provide for a student to administer and collect the student evaluation faculty forms according to the time and method for collecting data provided by the College. These student evaluations shall be anonymous and shall be provided to the faculty member only after the semester grades have been submitted to the Department. In accordance with Section 600 both the quantitative and qualitative (free-form) response data shall be included in the Personnel Action File.
 2. The faculty member may also develop additional methods to determine student learning and student attitudes toward the instructor's teaching effectiveness. These data may be placed in his or her Professional Information File.
