### **Professional History**

- Oliver Wyman Actuarial Consulting (2011–present)
- ACE – Actuarial Analyst (2005–2011)

### **Education**

- University of Georgia, BBA, Banking and Finance

Mary Daly is a Principal at Oliver Wyman Actuarial Consulting, Inc. She is located in the Los Angeles office where she provides property/casualty consulting services to a variety of clients. Mary has worked with a wide range of coverages, including workers' compensation, general liability and auto liability. Projects have included reserve analyses and loss projection studies.

She is a Fellow of the Casualty Actuarial Society (FCAS) and a Member of the American Academy of Actuaries (MAAA).

### **Professional Experience**

- Experience with most commercial lines of business, including, Workers' Compensation, Auto Liability, General Liability, Products Liability and Medical Professional Liability
- Allocation studies – design and implementation of programs that allocate the cost of risk across cost centers, operating divisions or group members
- Feasibility studies for insurance captives – actuarial assistance in evaluating alternative risk financing mechanisms
- Professional Liability issues, captive insurance operations and construction defect issues
- Pricing and loss forecasts – actuarial analysis to determine loss costs, funding requirements and premiums

### **Speaking Engagements and Professional Activities**

- University Liaison through Casualty Actuarial Society – serves as mentor to undergraduate students at California State University, Fullerton and at California Institute of Technology. Provides guidance and real life experience to students interested in pursuing a career in actuarial science
- Past Mentor through American Academy of Actuaries – serves as mentor to AAA scholarship recipients
- Past Member of Casualty Actuarial Society Exam Committee – grades actuarial exams
- Past President of the Southern California Casualty Actuarial Club
- Speaker at LA Risk and Insurance Management Society
