“Neon Nights” in the Games Room at the University Student Union

Offers CSUN Students a Night of Fun with Free Games, Music and Food

Northridge — The University Student Union (USU) is inviting you to one of its most popular events, “Neon Nights” in the Games Room. On Thursday, Oct. 5 from 8 to 10 p.m., come down to the Games Room (located across from Student Recreation Center main entrance) to enjoy a night of non-stop fun that will feature delicious food, great music, fun games and a chance to make new friends – all FREE to CSUN students!

“This event continues to be a favorite with students because we take it back to the basics of Thursday night fun, where everyone has a great time in a laidback atmosphere,” said Student Events Assistant Desiree Cherre, “Neon Nights also has an added visual twist with its neon theme and free glow sticks that make it for even more fun under the black lights in the Games Room.”

Students can get their game on with many options for gaming, including video games, board games, billiards and table tennis. Free food will be served throughout the event and attendees can take a snapshot of their night at the photo booth.
