**FOR IMMEDIATE RELEASE**

**Kickstart Your New Semester at CSUN with the  
“The Matador Experience Fair” on the University Library Lawn**

Northridge — The University Student Union (USU) in collaboration with A.S. Productions and cross-campus departments invites all CSUN students to *The Matador Experience Fair*. Come join us at the University Library Lawn from Monday, Oct.4 to Wednesday, Oct. 6, between 10:00 a.m.-2:00 p.m. as we celebrate the start of the new semester.

“As we all begin to get adjusted back to the academic year, we want to engage with students and let them know how they can make the most of their time here at CSUN,” said Audrey Martinez, Manager of USU Programs. “Both incoming and continuing students will get this great opportunity to discover the amazing resources CSUN offers and connect with other Matadors right here on-campus.”

During the 3-day long resource fair, you will get a preview of CSUN’s many departments and the individual services and programs each offers. Whether you are looking for ways to get involved on campus or just eager to learn more about the services available for you, this fair will provide you all the necessary information. As a bonus, some departments will have tabling booths where they will hand out free useful items such as planners and t-shirts and even host raffles so you have a chance to win cool prizes.

Be sure to stop by *The Matador Experience Fair* and experience what life at CSUN is all about! For more information on this event, please visit [csun.edu/usu](http://csun.edu/usu).
