**FOR IMMEDIATE RELEASE**

**University Student Union Now Offering  
“USU Free Printing Gift Cards” to CSUN Students**

Northridge- The Computer Lab at the University Student Union (USU) invites all CSUN students to take advantage of its newest program, USU Free Printing Gift Cards, which provides users FREE printing through the Office Depot Online Portal or your local Office Depot print centers. As the virtual spring semester begins, you will now be able print up to 50 pages at no charge. This is a great opportunity to start off the semester strong without breaking your budget.

“The Computer Lab wants to help our students stay on top of their schoolwork while having a smooth semester considering the circumstances,” said USU Computer Lab Coordinator, Nicholas Echeverri. “This free printing gift card is another great way for CSUN students to have their USU resources still available yet remain safe and healthy during the semester.”

Through an online form on the Computer Lab website, all currently enrolled CSUN students can apply for this \$5 Office Depot electronic gift card. You can redeem your card two ways, either by preordering through Office Depot’s Online Portal for printing up to 50 pages or by choosing Office Depot Walk-In Self-Service for up to 41 pages. Plus, you can then apply for a SECOND gift card after Spring Break, while supplies last! Take advantage of this

USU resource while staying on track for the rest of the school year.

Apply starting Monday, Jan. 25 to start printing for FREE with the new USU Free Printing Gift Cards courtesy of the Computer Lab! For additional information, please visit [www.csun.edu/usu](http://www.csun.edu/usu) or call the USU Computer Lab at 818-677-5746.
