**Everyone at CSUN Invited to Celebrate Students Who Served  
Our Country during “We (Heart) Our Veterans Week”**

Northridge — The Veterans Resource Center (VRC) at the University Student Union (USU) invites all students, faculty and staff to a celebration of CSUN students who have served in the U.S. armed services during “We (Heart) Our Veterans Week”. The annual event will run from Sunday, Nov.6 through Veterans Day on Friday, Nov. 11. All in the CSUN community are welcome to participate in this week full of fun activities and recognition for the more than 690 student veterans currently on campus.

“The student veterans at CSUN bring a special strength, pride, experience and courage to our campus every day. This event is an opportunity to show them the appreciation of the entire campus,” said VRC Coordinator Patrina Croisdale. “We (Heart) Our Veterans Week not only celebrates students veterans, but it also provides entertaining and informational activities for the entire campus community.”

To start off the week on Sunday, all are encouraged to take part in the “5K Fun Run” in collaboration with Sigma Tau Alpha. Whether you are running or just showing support to participants, this 5k run will be great for fun and fitness. Following the 5k, everyone will head over to the Oviatt lawn to participate in the placement of a powerful display featuring a U.S. Flag Garden with a flag honoring every veteran on campus.
