

## Parking

1. **CAMPUS PARKING PERMITS REQUIRED:** 24/7 Licensee is hereby informed that parking permits are required to park on the California State Northridge campus at all times (7 days, 24 hours). Anyone in violation of campus parking requirements, including event/activity participants arriving from off-campus, may be ticketed.
2. **PARKING PERMIT ARRANGEMENTS:** Licensees whose events/activities will involve guest/visitor parking on campus will choose one of the following:
  - o Licensee in advance may arrange, purchase and provide daily guest/visitor parking permits through the University Licensing Office for the expected number of event/activity participants. If additional vehicles need parking permits beyond the original estimates, University Licensing will invoice Licensee.
  - o If Licensee does not make such advance arrangements, Licensee then is required under this Agreement to notify participants of the following information, by conveying it in all event/activity advertising and informational materials, and any other written or verbal communications: "Visitors parking on the CSUN campus are required to purchase a \$8 daily permit. Permits can be purchased from campus parking booths and parking lot vending machines."
3. **ACCESS:** Licensee shall not block campus building hallways, lobbies, entrances, driveways, walkways or any common areas on the CSUN campus, except as specifically permitted in this Licensee's Agreement.
4. **PROPER AREAS FOR PARKING:** Unless otherwise authorized, campus parking permits authorize vehicle parking in marked spaces in campus parking lots and along campus roadways. Vehicles are required to park "front end" in facing into any parking space.
5. **ADDITIONAL PARKING REQUIREMENTS:** Parking is available at a cost of \$8.00 per car per day. Permits can be purchased at any University Information Booth or ticket box. **ABSOLUTELY NO PARKING IS PERMITTED IN SURROUNDING RESIDENTIAL NEIGHBORHOODS.**

6. **BUSES:** Buses are required to enter the campus at the Lot G4 entrance on Zelzah Avenue to drop off and pick up participants. Buses must proceed to LOT F10 at the corner of Lassen Street and Lindley Avenue and remain there until scheduled pick-up time. Licensee is responsible to communicate this requirement to the bus drivers. **NO BUSES ARE PERMITTED TO DROP OFF OR PICK UP PARTICIPANTS NOR PARK ALONG LINDLEY AVENUE. NO BUSES ARE TO PARK ON THE STREET OR IN SURROUNDING NEIGHBORHOODS.**
7. **DISPLAY PARKING PERMIT:** Parking permits must be displayed on the driver's side dashboard and must be visible. Any vehicle that does not display the proper parking permit, in plain view on the dashboard, will be considered in violation and be cited by the CSUN Parking Office.
8. **METERS:** Parking permits are not valid at meters.
9. **MOVE VEHICLES:** The Parking Officers or University Licensing reserves the right to move Licensee to another parking lot should scheduling conflicts arise.
