

Risk Management and Student forms

All required forms are to be submitted online and are available in the [S4 Service Learning Database](#). Faculty and students must be logged in to access all forms.

- **Student Service Learning Plan (SLP)**

Due **prior** to reporting to the organization's site. **STUDENTS CANNOT ATTEND THE SITE PRIOR TO COMPLETING THIS FORM.**

- **Student Timelog**

Timelogs are used to document the hours spent in the community. Once students have submitted their hours, they can send a request to have them approved by their professor.

- **Pre-Service Learning Evaluation & Post-Service Learning Evaluation**

Two separate evaluation used to measure the before and after experiences that students have for service learning. Forms are submitted through S4 Service Learning Database.

Optional Forms:

- **Site Supervisor Evaluation of Student**
