## Featuring the Secondary Education Credential Program

### Did You Know That...

The Department of Secondary Education placed 454 credential candidates in field assignments during the 2020-2021 academic year (189 in Fall 2020 and 265 in Spring 2020). These candidates, interested in teaching in a variety of subject areas, participated in five credential pathways: part- or full-time Traditional (TRAD) program, 1-year full-time cohort-based Accelerated Collaborative Teacher (ACT) Program, 2-year Intern Program for on-the-job teachers, and the Undergraduate 4-year (FYI) or 2-year (JYI) Integrated Program.

LINCS (Learning Inspired through Networking and Collaboration with Schools) is driven by a single mission for California State University, Northridge (CSUN): to build and sustain strong linkages between CSUN and local schools. Through networking and collaboration, our institutions share expertise, services and resources. We strive to build productive relationships that inspire learning throughout our community by: (1) establishing and maintaining an asset mapping system, (2) facilitating networking and visibility for school partnerships, and (3) strengthening and building potential new linkages.
