

SOM DEPARTMENT SCHOLAR AWARD

For Business Analytics, Information Systems, Systems & Operations Management, and Global Supply Chain Management Majors

The Systems & Operations Management Department is pleased to announce that four scholarships, each in the amount of \$1,000, will be awarded to current undergraduate and graduate students majoring in Business Analytics, Information Systems, Systems and Operations Management, or Global Supply Chain Management with exceptional academic achievement. The application deadline is Friday, March 22, 2024.

PURPOSE OF THE SOM DEPARTMENT SCHOLAR AWARD

To encourage excellence in education and superior academic performance in Business Analytics (BANA), Information Systems (IS), Systems and Operations Management (SOM), and/or Global Supply Chain Management (GSCM) disciplines.

MINIMUM REQUIREMENTS

- 1) Completion of at least 85 units toward the B.S. degree or completion of at least nine (9) units toward the M.S. degree in Business Analytics at CSUN
- 2) Both overall and CSUN GPAs of at least 3.5.

CRITERIA FOR AWARD

- 1) Meet all of the “Minimum Requirements”
- 2) Activities furthering knowledge in the BANA, IS, SOM, and/or GSCM disciplines
 - a. Community service and volunteer work at CSUN
 - b. Work experience in general and in BANA, IS, SOM, and/or GSCM fields
 - c. Affiliations, Honors, and Awards
