

## **SPRING 2024 FIN 303 TUTORING**

**Monday, Jan 29 to Friday, May 10**

**\*\*FIN 303 tutoring is not available on university holidays  
and during Spring Break\*\***

FIN 303 Tutoring is a maximum of 30 minutes per session  
up to twice per week.

To receive the free tutoring service, you need to “Be  
Prepared.”

### **“Being prepared” means:**

- ✓ You have read the textbook and tried to solve the questions yourself at least once,
- ✓ You bring your textbook, your notes, the assignments, and your calculator with you
- ✓ You are courteous and respectful to others.

*Tutors have the right to decline your request for help unless  
you meet the above requirements for this free tutoring  
service.*

### **WHERE DO I GO IF I WANT TO WALK-IN?**

- Walk-ins are accepted on a first come, first serve basis. No appointments.
- To meet with a tutor, please visit:

#### **FIN 303 Tutoring Office**

Location: Bookstein Hall 4121

Email: [fin303.tutor@csun.edu](mailto:fin303.tutor@csun.edu)

### **DO YOU OFFER ONLINE TUTORING? IF SO, HOW CAN I CONNECT?**

- Yes, online tutoring is available via Zoom during the scheduled times.
- If possible, please email the tutor ([fin303.tutor@csun.edu](mailto:fin303.tutor@csun.edu)) at least one day in advance with the question/s you plan to ask AND the day/time you plan to join to the zoom room. This will help tutors better prepare the tutoring for you. You may also send a quick follow-up question after the tutoring session.
- By using the free tutoring service, you consent to being recorded during the entire session.
- To connect with a tutor, click on the following link:
